BKI awarded “2011 Listed Investment Company of the Year”

BKI Investment Company Limited (**BKI.ASX**) was announced as the inaugural winner of the “Listed Investment Company of the Year” award at the 13th annual Australian Fund Manager Awards night, organised by the Australian Fund Manager Foundation.

Commenting on the announcement, BKI CEO Mr Tom Millner said “It was pleasing for LIC’s to have been included in the awards this year. The award to BKI is a great endorsement of an LIC whose major focus is to invest in quality companies, enabling it to generate a growing dividend stream and capital growth.”

“We are very excited about the future and opportunities of the LIC sector and the attractiveness of investing through a listed investment company. The creation of this new award category and the quality of the other finalists, Australian Foundation Investments Limited (AFI.ASX), Contango Micro Cap Limited (CTN.ASX) and WAM Capital Limited (WAM.ASX), will help generate recognition for this investment sector as a whole” Mr Millner said.
